What is being proposed?

Council is proposing changes to the way that rubbish collection services are delivered and funded in Zone One from 1 July 2025.

There are four options to consider through this consultation:

- **Option 1** - Status Quo - Private sector provides a weekly pre-paid bag and wheelie bin collection via Pay As You Throw.
- **Option 2** - Private sector provides a fortnightly wheelie bin collection via Pay As You Throw.
- **Option 3** - Council, through a private contractor provides a fortnightly wheelie bin collection with a single 120 litre bin size, Pay As You Throw.
- **Option 4** - Council, through a private contractor provides a fortnightly wheelie bin collection with several different bin size options, i.e. 80 litres, 120 litres or 240 litres.

The above options do not include the current recycling rate of \$178, - incl GST as of 2023/24 financial year. The recycling rate will continue to be in addition to the costs for rubbish collection in Zone One.

The option Council decides on will be rolled out for all households in Zone One with rubbish collection from 1 July 2025.
