**PUBLIC FORUM:**

**Moira Lockington:**

Thanks to those that attended the tree planting. Money is still contributed towards the trees. Prices for grasses to put onto the bare banks are being sought. Clearing has taken place from the Corrections Department. Malcolm to complete his task.

Sue asked what the plan was for the swimming pool. Graeme replied that it was in the Long Term Plan where planning is to take place 2017/2018.

**Sue Archer:**

Suggesting plastic supermarket bags are banned from public areas.

Graeme suggested Zoe Watson (Enviroschools) would be of use, and could provide Sue with some information on banning plastic supermarket bags from public areas. Graeme was unsure of Local Government could have any influence on this issue.

**Jan Clayton:**

Unsure what the rules are for storing baleage on roadsides. Rope, tape, wire over the road while moving cows over the road – this is not acceptable and is messy and dangerous. It blocks the road until the farmer returns.

Merhtens Road appears to be used as a raceway and the mess left behind from cows is causing an issue with traffic.

**Jeanette Hawes:**

Youth Centre employs a co-ordinator for 4 hours per week not 12 as stated the previous minutes.

Lamp posts down main blocks – Graeme gave an update on this project.

Lookout road – Jeanette asked for an update? Graeme said he had heard that the road had improved with work being carried out on a cell phone tower. Some additional work is required, though, to ensure traffic movements can occur.

Jeanette noted that there is funding from Lottery Communities that could possibly be available for funding the supervisor at the Early Learning Centre. Unfortunately the closing date for the current funding round is tomorrow. Applications can be made online.

**Paul Thomas:**

Globe mining – he has had positive feedback to the submissions received, although he has not yet seen all the results. He would like the town to be visionary and seize the opportunity, which he sees as one-off and potentially substantial to the town.

Graeme replied that the meeting tonight was the next step around.

**John Taylor:**

Asked if the licence on Globe progress ends 2020, Oceania intends rehabilitating the site until 2025. He asked if access through the gate would be available before 2025. This question was not able to be answered, but Graeme said it would be discovered during the process.

**1. MEMBER’S INTEREST**

No members’ interests were declared.

**2. MINUTES**

Youth Centre coordinator is employed for 4 hours, not 12 hours.

An update on Susan Barnett’s public forum presentation from the Reefton Domain Board, Graeme Neylon replied that Council’s bylaw of 500m is not legal and does not meet requirements.

**RESOLVED** that the minutes of the 13 April 2017 meeting be accepted.

**G Neylon/S Burke  
CARRIED UNANIMOUSLY**

### 3. ACTION POINTS

Update dates.

**RESOLVED** that the report be received for information.

**G Neylon/S Barnett  
CARRIED UNANIMOUSLY**

**Ina Lineham left the meeting at 6:00pm.**

### 4. CHAIRPERSONS REPORT

4.1 **Community Board Conference:** Graeme Neylon and Alun Bollinger attended and some positive feedback has come back, particularly with involving youth. Theme of the conference was how to get the community board enhancing the community and being involved with consultation.

4.2 **Oceana consultation:** 13 submissions have been received. Submissions will be placed on Council's website, and distributed to members. Printed copy will be given to the Service Centre/library. Next step could be to put the submissions out to the public, then ask for comments. An open day at Oceania was discussed to include the submitters, to allow them to embellish their submissions.

Graeme suggested that 10 submissions are forwarded on to Oceania. A standardised format to present was discussed, with Graeme replying that Oceania would go through that process along with DOC. ICB could suggest this is what could be done to ensure the process is fair.

Mayor Howard suggested a display board of the submitters suggestions be put in the library.

A timeframe was discussed with an undertaking from Council that they would pass on their recommendation to Oceania by the end of the current year.

Garry suggested submissions are printed into booklet format and circulated within the community.

John Taylor said a WC Conservation Board meeting will be held on 21 July, and ideally an idea of timeframe would be helpful to present at this time.

**RESOLVED** that the submissions are circulated throughout the community for feedback by means of website, facebook and booklets.

**G Neylon/S Burke  
CARRIED UNANIMOUSLY**

**RESOLVED** that the next ICB meeting be postponed until 15 August, at which time further information on the consultation process will be available.

**G Neylon/S Barnett  
CARRIED UNANIMOUSLY**

#### **4.4 2017/2018 Annual Plan**

The annual plan has been adopted, and a response to ICB's submission will be received within the next week.

**RESOLVED** that the Chairpersons report be accepted for information and discussion.

**G Neylon/A Bollinger  
CARRIED UNANIMOUSLY**

#### **5. REEFTON EARLY LEARNING CENTRE**

This letter will be forward to the MSD Forum, Internal Affairs, and Graeme suggests that a letter of support can be given to the Early Learning Centre and encourage them to apply for Lottery Community funding during their December funding round.

**RESOLVED** that the letter be received for information and discussion.

**G Neylon/S Barnett  
CARRIED UNANIMOUSLY**

#### **6. INWARDS CORRESPONDENCE**

**G Neylon/A Bollinger  
CARRIED UNANIMOUSLY**
