

Approved Contractors via She Software

There is a number of specific works carried out within the Buller district area, which can only be undertaken by Approved Contractors.

This includes work such as plumbing and drainage for water, stormwater and sewerage, road construction and the installation of network services, such as telephone, electricity, TV etc.

Below is the current local list of contractors who hold Council "Approved Contractor" status. If you wish to use a contractor from out of the region then please contact BDC's A & I Team to check if the contractor you wish to use is SHE Software – Council Approved.

Approved Contractors have registered and demonstrated that they meet the Council's Health & Safety Requirements for working within the following assets.

- Category 1 Plumbing and drainage (water, stormwater and sewer)
- Category 2 Road construction
- Category 3 Network service (phone, electricity, broadband etc)

NOTE:

Approved Contractor status applies only to those contractors that have demonstrated that they meet Council's requirements. The status allows those contractors to undertake the specified category of work as approved by Council and applies only to work on roads / streets and road reserve areas that come under Council's jurisdiction as a Road Controlling Authority.

For further information on Approved Contractors, please contact
The BDC Assets & Infrastructure, on (03) 788-9111
