- Consent fees are based on administration, processing time, inspections anticipated, Code Compliance Certificate, applicable levies and any other fees which may be incurred such as photocopying charges, title endorsement etc.
- In situations where additional inspections are required, or additional costs are incurred for amendments to approved plans during construction and the like, the owner will be required to meet those costs on completion of the project and before the Code Compliance Certificate will be issued.

Customer Services staff will be unable to accept any building consent applications that do not contain all of the required documentation and/or are not accompanied by the deposit fee.

Deposits for consents lodged electronically can be made by internet banking referencing the applicant name and site address to which the building relates.
