

PUBLIC CONSULTATION
Draft West Coast Regional Waste Minimisation and Management Plan

Submissions close at 5pm on 18 August 2018

Submission Form

YOUR DETAILS

NAME Mr / Mrs / Miss / Ms _____

ORGANISATION (IF ANY) _____

POSTAL ADDRESS _____

_____ TEL _____

EMAIL _____

Do you wish to speak at the hearing in support of your submission? YES NO

YOUR FEEDBACK Please circle or tick your response as appropriate

Q1: Do you agree with Council’s vision for waste minimisation and management? YES / NO

“To deliver community benefits and reduce waste. West Coast businesses and households will be provided with efficient and effective waste minimisation and management services.”

Comments:

Q2: Council has proposed targets for waste minimisation and management. Do you support Council targeting activity to meet these targets? YES / NO

Targets

1.1 To maintain or reduce the total quantity of waste disposed of to landfill from the West Coast on a per capita basis. The current figure is 340 kg per person.

- Waste disposed to landfill < 300 kg per person each year
- Increase in the proportion of material captured for recycling at kerbside and transfer stations (*the current figures are 29% and 27% respectively*)
- Kerbside recycling > 35% by 2025
- Recycling at Refuse Transfer stations > 50% by 2025

Targets

- 2.1 Establish simple and effective recycling services for visitors to the West Coast Region.
 - Establish five refuse and recycling depots at key visitor locations on the West Coast by 2022 (pilot with two facilities in the Buller District followed by the remainder of the Region)
- 3.1 Satisfaction with kerbside refuse and transfer station services.
 - Resident and visitor satisfaction > 85%
 - Establish five refuse and recycling depots at key visitor locations on the West Coast by 2022
- 4.1 Reduction in illegal dumping incidents and quantity of material illegally dumped in the West Coast Region. *(Refer also establishing refuse recycle and waste stations)*
 - Quantity of illegally dumped waste < 2016/17 figure
 - The number of illegal dumping incidents is < 2016/17 figure
- 5.1 To publish a summary of available data on waste generation and management with each Annual Report.
 - Summary data published in Annual Report.
 - To create a grant scheme to support new initiatives to reduce waste
- 6.1 Schools programmes supported by Council.
 - Support the Enviroschools programme each year
- 6.2 Council (or contractors) promote waste minimisation at events in the Region.
 - Councils promote waste minimisation at > five events in the Region each year
- 6.3 Inform and support West Coast residents and businesses on waste minimisation opportunities.
 - Information made available and regularly updated on Council websites

Comments:

Q3: Councils regularly consider a range of options for managing waste that cannot be reused or recycled, including maintaining landfills in the West Coast Region, exporting waste to landfills elsewhere and implementing advanced waste treatment technology. What are the key considerations Council should take into account?

✓ ONE OR MORE

- Cost to Council (impact on rates)
- Costs to the community (charges for disposal)
- Waste diversion/recycling
- Protecting our environment
- Building on existing infrastructure
- Local economic opportunities
- Other – specify: _____

Comments:

Q4: The draft Regional Waste Minimisation and Management Plan commits Councils to considering a range of additional services and activities. Which of these would you support being introduced in the West Coast Region?

✓ ONE OR MORE

- Implement recycle and waste stations at tourism hotspots around the Region
- Organic waste (ie garden waste, food waste) processing and collection services
- Bulky waste collection (ie furniture, whiteware, large garden waste) services
- Business and construction waste sorting and recovery
- Ongoing information and education on waste minimisation
- Making grant funding available for projects that support waste minimisation in the West Coast Region
- Other – specify: _____

Do you have any other comments you would like to make?

Which Council area are you from?

✓ ONE ONLY

- Westland District (Kumara and south)
- Grey District (north of Kumara to south of Punakaiki)
- Buller District (Punakaiki and north)

Many thanks for your feedback. Please return your completed submission form to your local Council office or service centre.
