FOREWORD

The NZS 9201 series are model bylaws covering various matters under local authority jurisdiction. Local authorities are empowered under the Local Government Act 1974 to make bylaws.

This Standard supersedes NZS 9201:Chapter 14:1972 *Cemeteries and crematoria*. The revision has been simplified by bringing under one section the various provisions for vaults, plaque lawn cemetery and memorial park cemetery.

The Committee was assisted in the drafting of this part of the model general bylaws by the Funeral Directors Association of New Zealand and the New Zealand Master Monumental Masons' Association.

Reference should be made to NZS 9201:Part 1 *Introductory* for any other definitions not included in this Part.
