

Recycling Calendar

November 2022 - October 2023

Recycling is collected every two weeks and refuse is collected every week.

To determine your collection day and recycling collection week (week one or week two), go to Council's website, find the [recycling map](#), type in your

address, and find out what day and week to put your wheelie bin out. Use the recycling calendar below to know which week is week one and week two.

Put your refuse and recycling out by 7:30am on your collection day. Place the wheelie bin and glass crate as close to the kerb as possible and clear of the footpath. Do not over fill your wheelie bin or glass crate.
