Official charges

| | |
|--------------------------|--------------|
| Minimum refuse charge | \$12 |
| Light truck/ute/van load | \$75 |
| Single axle trailer load | \$75 |
| Double axle trailer load | \$100 |

Materials accepted as refuse

Household waste

Green waste

Commercial and institutional waste

Materials not accepted as refuse

Mixed construction and
demolition waste

Tyres and car bodies

Site clearance and
excavation material

Fridges, scrap metal and general
whiteware

Electronic waste (E-waste)

**All materials listed above are accepted at the Reefton
Transfer Station and Recycling Centre.**

**If you are unsure whether your waste can be disposed of
at this facility, please contact Buller District Council for
advice about alternative disposal options: 0800 807 239**

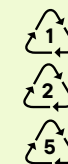

Recycling

Properly prepared recycling
material can be dropped off for
FREE at the Maruia Landfill and
Recycling Facility.

The Maruia Landfill and Recycling Facility has
a recycling container with four boxes, one
for plastics, paper/cardboard and cans, and
three for each colour of glass (clear, brown,
green).

Materials accepted as recycling

Only clear plastics **#1, #2 and #5**
are recyclable. **Plastic #1 meat
trays** are now accepted.
All items need to be rinsed clean,
with any lids removed.

Cardboard and **paper** are
recyclable. **Clean pizza boxes**,
without food residue are now
accepted. Items must be larger
than an envelope, clean and
flattened before you place them in
the bin.

**Steel and aluminium tins and
cans** are recyclable.
They need to be rinsed and clean.

Glass must be separated by
colour: green, brown and clear.

Do not leave recycling material
outside the container at any time. If
the container is full, dispose of your
glass at the Reefton Transfer Station
and Recycling Centre during opening
hours. Do not leave material next to
the container or in surrounding areas.

Do not put broken glass, windows or
mirrors in the container.
They need to be disposed of as
refuse at the Maruia Landfill or
Reefton Transfer Station.
