FOREWORD

The NZS 9201 series are model bylaws covering various matters under local authority jurisdiction. Local authorities are empowered under the Local Government Act 1974 to make bylaws.

This Standard supersedes NZS 9201:Chapter 2:1972 *Public places*. The revision of the 1972 bylaw has been necessary to reflect the legislative changes, particularly the Local Government Act 1974, the Building Act 1991, the Resource Management Act 1991 and the Dog Control Act 1996. Also over the past ten years there has been a gradual evolution of local authority procedures and operating styles.

This Part now contains provisions for previous NZS 9201:Chapter 17 *Parks and reserves*, and Chapter 19 *Beaches: bathing and control* which are superseded. It also includes new provisions for skateboards. Reference should be made to NZS 9201:Part 1:*Introductory* for any other definitions not included in this Part.

NEW ZEALAND STANDARD

MODEL GENERAL BYLAWS

Part 2

PUBLIC PLACES

200 SCOPE

The Local Government Act 1974 gives authority to the Council to adopt bylaws to regulate activities which can be carried out in roads, public places and reserves. This Part of the bylaw controls a diverse range of activities to ensure that acceptable standards of convenience, safety, visual amenity and civic values are maintained for the wellbeing and enjoyment of citizens, visitors and businesses within the district. In particular this Part addresses damage to public facilities such as roads, grass verges, garden areas and reserves. It also addresses activities within public places and reserves which may have an adverse effect on other users of these facilities.

Section 684 of the Local Government Act 1974 and other relevant Acts e.g. Reserves Act 1977, Health Act 1956, Litter Act 1979 outline some of the powers and requirements of the Council in regard to streets, public places and reserves. Areas of control so prescribed by this legislation are not necessarily repeated within this bylaw, and therefore the relevant sections of the Local Government Act 1974 and other Acts should be read in conjunction with it.

201 DEFINITIONS

For the purposes of this bylaw the following definitions shall apply:

MATERIAL or THING means any material of whatever kind and includes jumbo bins and other containers for waste material, but excludes vehicles.

ROAD means as well as that defined in Part 1 all land lying between the boundaries of a road including footpaths and berms.

RIDE A SKATEBOARD means having either one or both feet, or any other part of the body of any person, on the skateboard when it is moving.
