The applicant has provided host responsibility and staffing details that demonstrate suitable measures are in place to ensure the responsible sale and supply of alcohol and that any potential opportunity for harm will be minimised.

The designation for the premises during the event is: **Undesignated:**

Reasons for the Decision

- The Licensing Inspector has provided a favourable report and has raised no opposition. The Inspector has also indicated that the amenity and good order of the locality will not be adversely affected by more than a minor extent. The extreme shortened reporting time has put enormous pressure on the agencies and administration staff, and recommended future late waiver applications be denied, unless under exceptional circumstances.
- The NZ Police has raised no matters in opposition to this application. However has concerns with another late application requiring a waiver.
- The Medical Officer of Health has raised no matters in opposition to this application.
- The application was not required to be publicly notified.
- The applicant has demonstrated that the manner in which they sell, supply, display and promote alcohol complies with the Act.
- The applicant has previously been granted special licences for events and there have been no adverse reports received.
- There is nothing in the papers put before me that would indicate the applicant is not suitable to be the holder of a licence.

In summary, the application and supporting information satisfies all the matters to which we must have regard as set out in s.142 of the Act.

Decision

I have considered all the papers put before me and I am satisfied that the application meets all the requirements of the criteria of s.142 of the Act and the applicant will be able to safely and responsibly supply and sell alcohol in a manner that will ensure that any harm caused by the inappropriate or excessive consumption of alcohol will be minimised.

I therefore grant the application by WESTPORT BOWLING CLUB (the licensee) and authorise the issue of a special licence subject to the terms and conditions noted below as forming part of this decision.
