Reasons for the Decision

- The Licensing Inspector has provided a favourable report and has raised no opposition. The Inspector has also indicated that the amenity and good order of the locality will not be adversely affected by more than a minor extent.
- The NZ Police has raised no matters in opposition to this application.
- The Medical Officer of Health has raised no matters in opposition to this application.
- The application was not required to be publicly notified.
- The applicant has demonstrated that the manner in which they sell, supply, display and promote alcohol complies with the Act.
- The applicant has previously been granted special licences for events and there have been no adverse reports received.

In summary, the application and supporting information satisfies all the matters to which we must have regard as set out in s.142 of the Act.
