DUMPING OF CAR BODIES

To dump car bodies all tyres, LPG tanks, loose upholstery, rubbish, drainage bungs, fuel and oils need to be removed from the car prior to dumping. Failure to comply with this will incur additional cost.

MATERIALS ACCEPTED AS RECYCLING

Properly prepared recycling material can be dropped off for FREE at the Karamea Transfer and Recycling Facility 🙌

Cardboard is disposed of as refuse at the standart refuse charges in Karamea.

- ✓ Only plastics #1, #2 and #5 are recyclable. They need to be rinsed, clean and lids off 
- ✓ Glas

- ✓ Aluminium tins and cans are recyclable. They need to be rinsed, and cleaned 🙌
- ✓ Vehicle batteries
- ✓ Paint containers
- ✓ Household batteries
- ✓ Oil, transmission fluids and hydraulics (they must be clean and dropped off in containers no larger than 20 litres)

Pretty easy stuff so make sure you droff off the right things and if required rinse, and clean recyclable materials 🙌 🙌  Easy 🙌 🙌 

Council, WestReef Services and the Karamea Waste Management Group encourage residents to minimize their impact on the environment by reducing use of mixed papers, and disposing of mixed papers in an environmental friendly way.

This can be achieved by changing what you buy, purchase fewer wrapped items, and compost what you can at home.
