of an application by Club Buller Incorporated (the licensee) for a Special Licence pursuant to Section 138 of the Act in respect of premises situated at 44-46 Queen Street, Westport and known as Club Buller Incorporated.

BULLER DISTRICT LICENSING COMMITTEE
UNCONTESTED APPLICATION DECISION

Chairperson: Graeme Neylon

Authority of Chairperson

The functions, powers and duties of the District Licensing Committee is delegated to the committee chairperson under section 191(2) of the Sale and Supply of Alcohol Act 2012 (the Act) when no objection has been filed, and no matters of opposition have been raised by the Police, Medical Officer of Health or the Inspector in respect of an application for a licence.

Decision

Club Buller Incorporated is applying for a special licence to allow for the sale and supply of alcohol on Tuesday 26th November 2024 at a funeral/reception for Judith Mumm which will allow non-members of the Club to be served alcohol. The applicant is seeking operating hours of 1:30pm till 10:pm.

The applicant is the holder of a current Club licence and has been granted special licences on a number of occasions. There have been no adverse reports received about any of these events. There is also nothing in the papers put before me that would indicate that the applicant is not suitable to be the holder of a special licence.

West Coast Police and Medical Officer of Health have mutually agreed in principle to not raise any matters in opposition to the granting of applications for special licences for a funeral or funeral reception when it is to be held at a Workingmens Club or RSA. As such I am able to consider the application on the papers put before me.

A club only requires a special licence for these events to allow persons who are not members of the Club to be able to purchase and consume alcohol and it is acknowledged that it is likely that the deceased person, or the family of that person, are members of the Club and that any other persons are attending as their guests.

Low and non-alcoholic drinks and free drinking water will be available on the premises. Catering will be provided by the Club.

The layout of the premises will not materially alter during the holding of this event and therefore the design and layout of the premises is considered adequate and given the short duration of the event it is not expected that the amenity or good order of the neighbourhood will be affected in more than a minor way.

The applicant has nominated Evan Francis Fox, William Henry McDermott, Samantha Rolton as managers for the event and they are the holders of current Manager's Certificates. All other staff

are aware of their responsibilities to monitor patron's behaviour and ensure that the requirements of the Act are being met. All staff will ensure that ID is requested from those who look under 25 years of age and no alcohol will be sold to minors or to intoxicated persons. Intoxicated patrons will not be allowed to remain on the premises and disorderly behaviour will not be tolerated.

I am satisfied that the application meets the required criteria as set out in s.142 of the Act and that the applicant will ensure that the sale, supply and consumption of alcohol will be undertaken safely and responsibly and that any harm that may be caused by excessive or inappropriate consumption of alcohol will be minimised. Therefore, this application from Club Buller Incorporated for a special licence is granted subject to conditions.

As applications for special licences for funerals/funeral receptions are unable to be made within the required 20 working day timeframe under the Act, a waiver under section 208 of the Act is hereby also granted.

The licence will be subject to the following conditions:

- (a) Alcohol may be sold or supplied only on the following days and hours:
Tuesday 26th November 2024 1:30pm till 10:00pm
- (b) Free potable drinking must be available for the duration of the licence on request from the bar, or by way of self service from jugs on the bar.
- (c) Alcohol may be sold in the following types of containers only: Glass vessels, cans.
- (d) The following steps must be taken to promote the responsible consumption of alcohol:
 - (i) Food must be available for consumption for the duration of the licence.

 - (iii) Transport options signage must be displayed. A phone must also be available on site to contact an alternative form of transport if required. Courtesy transport is also to be available.

**BULLER DISTRICT LICENSING COMMITTEE
UNCONTESTED APPLICATION DECISION**

Chairperson: Graeme Neylon

Authority of Chairperson

The functions, powers and duties of the District Licensing Committee is delegated to the committee chairperson under section 191(2) of the Sale and Supply of Alcohol Act 2012 when no objection has been filed, and no matters of opposition have been raised by the Police, Medical Officer of Health or the Inspector in respect of an application for a licence.

The meeting to hear this application commenced with a committee of one hearing the application.

The general nature of the business to be undertaken is that of a On Licence.

The evidence before for consideration is the application and reports from the Licensing Inspector, the Police and the West Coast Medical Officer of Health.

There have been no objections to this application following the correct publication and displaying of the required public notices and as such I have determined not to hold a public hearing to determine this application, and I will be considering the application on the papers presented to me.

Decision

1. The Director has no previous experience running a Licenced premises, one shareholder has previous suitable experience, majority of qualified staff are inexperienced, however has detailed sufficient required information on the pertinent Regulations form of application.
2. The NZ Police have raised no matters in opposition to this application. However, recommends a reduction of hours of the following morning, trading hours for the first year.
3. The Medical Officer of Health has raised no matters in opposition to this application. However, recommends truncating the licenced hours during the first 12 months.
4. The Licensing Inspector has provided a favourable report and raised no opposition, however, recommends a truncated first year to enable applicants to gain a good foundation to their business.
5. There is nothing in the papers put before me that would indicate the applicant is not suitable to be the holder of a licence.
6. The application and supporting information satisfy all the matters to which we must have regard as set out in s.105 (New licence) of the Act.

I have noted the recommendations presented in the evidence regarding truncated licenced hours during the first 12 months and given the inexperience of the new owners and many of the staff.

I note that the applicant has agreed to a later starting time of 9.00am.

There is evidence available that shows the trading hours after 1.00 am, are the most difficult hours for licensees to control.

The applicant is seeking to retain the current 3.00am closing time but I am of the view that a closing time of 2.00am for the first 12 months will allow the applicant and staff to gain the experience required to meet the demands of that period 2.00 to 3.00am.

The District Licensing Committee Chairperson, acting pursuant to the Sale and Supply of Alcohol Act 2012, therefore grants the application for a new On-Licence for DJ 14 Limited for the premises

known as Cosmopolitan Hotel situated at 136-138 Palmerston St, Westport and authorises the issue of a new On-Licence.

S 15 Time when annual fees are payable for new licences

- *If a new on-licence, off-licence, or club licence is applied for and issued after the commencement of these regulations, —*
 - *(a) the annual fee for the licence must be paid before the licence is issued; and*
 - *(b) subsequently, the annual fee for the licence must be paid on the anniversary of the date on which the licence was issued.*

The licence will be subject to the following conditions:

- a) No alcohol is to be sold on the premises on Good Friday, Easter Sunday, Christmas Day, or before 1.00pm on Anzac Day to any person who is not:
 - (i) residing or lodging on the premises; or
 - (ii) present on the premises to dine.

(ii) A range of food choices must be readily available at reasonable prices at all times that the premises are open. Menus must be visible, and food actively promoted. (iii) A range of non and low alcoholic drinks must be readily available at reasonable prices. (iv) Information relating to safe transport options must be readily available to customers.
- e) Provisions of the Act relating to the sale of alcohol to prohibited persons must be observed: (i) ID is to be requested from any person who looks under 25 years of age; (ii) No sale or supply of alcohol to minors or intoxicated persons.
